## My first six months:

- Getting to know the College and north western Ontario
- Asked Bob Rosehart to provide an environmental scan to commence a discussion as to opportunities for the College

## Bob's Scan

- Significant demographic/social/economic change in north western Ontario
  - Declining high school population
  - Lower high school completion rate
  - Higher college completion rate
  - Increasing number of Aboriginal youth
  - Economic restructuring and increasing (often new) employment opportunities

# The opportunities!!

Partnership with high schools to support high school completion and continuation to College

- Dual Credit Programming
- Career Counselling
- Professional development

# The opportunities!!

Programs that attract new or retain existing students

- Technologies
- Mining (HSM)
- Health
- Aboriginal

# The opportunities!!

## Enter into expanding markets

- Southern Ontario (NOHT)
- International
- Flexible Delivery

(eg. Web based; Contact North)
